

CDC Solo, Duo and Trio Information 2024/25

Solo, duo and trios will run as follows:

3 one hour lessons; 2 for choreography and 1 for cleaning.

We will provide a printable registration form, which will be due no later than **Oct. 9th**. The forms need to be handed in directly to the dance teachers (not through club email).

Once registrations are in we will provide a schedule, like in previous years, we will put together the schedule ourselves. Lessons will run between November to February (dates TBA). If you cannot make your scheduled lesson times, it is your responsibility to switch with someone else, any switches need to be confirmed by both parties and teachers need to be made aware of any changes in advance for proper prepping.

Costs are as follows:

Solo- \$250 Total (\$85 per lesson)

Duo- \$190 Total per dancer (\$65 each per lesson)

Trio- \$160 Total per dancer (\$55 each per lesson)

Payments can be made in full on the first lesson, or you can pay the per lesson amount each lesson. * Value of \$5 savings when you pay in full with one-time payment
No late payments or you will not receive your next lesson.

Missed lessons will be charged a \$85 fee due immediately to the instructor.

If additional time is needed, extra time can be booked after the predetermined 3 hours, at an additional cost of \$40 per half hour 'clean-up' lesson.

Please have your dancer discuss song ideas with their assigned teacher prior to the first lesson, music needs to be determined before choreography can begin.

Thank you,

Miss Melissa and Miss Alyssa
